

**Skelmorlie Golf Club**

## **Extension of Junior Membership**

**Until now junior membership has been restricted to children over 10 on 1<sup>st</sup> March each year but your Committee has reviewed this policy.**

**To encourage young golfers, we will now accept nominations from members for children under this age on the strict proviso that they be accompanied on the course by an adult member at all times should their nomination be accepted.**

**(The fee for these juniors will be set at £20.00)**
